ABORTION—IS IT RIGHT OR WRONG?

I want to start off by saying if you have made a mistake by having an abortion please know that God stands willing and able to forgive you. So the question is, Abortion—Is it right or wrong? As Christians this should not be a question, but a statement. Every human being has the right to life. Its not a choice, it is a child. Statistics report that 95% of all abortions are chosen as a method of birth control. The remaining 5% are performed as a result of sexual crimes, health problems, or fetal abnormality. Years ago abortion was only allowed when it threatened the life of the mother. Abortion should never be legal to be a form of birth control or of selfish and half hearted decisions. As a Christian, abortion should be unacceptable. Since God is the creator of life, only God has the right to end life. Some would say, no one has the right to tell me what to do with my body. Yes, you can do what you want to do, but you will stand before God for your decisions. The Bible says your body is not yours, but it belongs to the Lord, to take a living soul out of its mother’s womb and to destroy it goes against everything the Bible stands for. Don’t be led astray by the people of the world, who don’t know God and who live selfish lives, concerned only with what they want. It is time for the people of God to stand tall and let their voice be heard. I will not compromise God’s word! I am Pro-Life, God has placed you and I on this earth to be the salt of the world. Don’t be shamed or afraid to let everybody know you stand for life. Tim Tebow, the Heisman trophy winner, was ridiculed and made fun of by the liberal media. Him and his mother tells his life story regarding the doctor who told his mother to have an abortion. Because she chose life, she gave birth to one of the greatest college football players that ever lived.

Psalm 139: 13-16 The Message Bible says “Oh yes, you shaped me first inside, then out; you formed me in my mother’s womb. I thank you, high God—you’re breathtaking! Body and Soul, I am marvelously made! I worship in adoration—what a creation! You know me inside and out, you know every bone in my body; You know exactly how I was made, bit by bit, When I was woven together in the depths of the earth, your eyes saw my unformed body. All the days ordained for me were written in your book before one of them came to be.”

When I was 18 years old I began using drugs. I started out just drinking on occasions and smoking marijuana, then abusing opiates, and quickly led to injecting methamphetamine. By the time I was 20 years old I was on the run from the cops and a strung out junkie. When the cops found me and took me to jail, I found out I was pregnant with my son; and that’s when I was sent to Project New Start for a year. They were the only rehab that would accept me while being pregnant; and because of them I was able to give my life to the Lord, get clean, and not harm my unborn child with drug use anymore. They allowed me to live in the Hannah House and helped me prepare to have my baby. On January 7, 2014 God blessed me with a healthy baby boy; who recently turned 1 year old. I have been able to spend every day of his life with him being sober, and learning how to be a godly mother. Thanks to God and Project New Start; I have been sober for a year and a half. I have been blessed with a job in their ministry, where I am able to give back and help others with their addictions. Without them I would not be the woman or the mother that I am today.

Life

As adults we understand that life “*Is not fair*”; as adults we should understand that our life’s journey is affected by the decisions we make, whether right or wrong. That being said, it is understood by adults that in this world as well as life there are issues, trials, hardships, problems, and difficulties. We understand this being adults, but do we overlook the fact that in the lives of the children in our communities they too have issues, trials, hardships, problems and difficulties; children who have witnessed violence or experienced it firsthand. Children whose innocence has been crushed by being abused mentally, physically, or sexually and in some instances all three. Children whose idea of a “normal” home life is seeing mom and dad passed out from the influence of drugs or alcohol or the combination of both. In most instances here at the New Life Children’s Home these are the children we care for. Those whose lives are filled with “issues”; sadly, these children have not had a good role model or positive influence. What the New Life Children’s Home endeavors to do is by providing the examples, guidance and positive influence, teach the children that “In this world (*life*) there will be tribulations (issues): but be of good cheer I have overcome the world.” (John 16:33) This promise given by the Lord himself is to every man, woman, boy, and girl; if we will simply place our hope and faith in what Christ has done for us at the Cross of Calvary. Even our children must understand that yes in life there is going to be issues, trials, hardships, problems, and difficulties but “Our Anchor Holds.” The Apostle Paul wrote “What then shall we say to these things? If God is for us, who can be against us?” (Romans 8:31) Our children of today can “Overcome” the issue of life but only by the proper instruction. That instruction must be based on the proper foundation. Paul said it well, “No other foundation can be laid, then that which has already been laid...Jesus Christ.”

If you have had an abortion and need someone to talk to, we can help....
